## ACTIVITIES AND PROGRAMS

Here's what campers will experience daily at Masse Moro.

### Norwegian Flag

Daily we raise and lower the Norwegian flag and sing *Ja, Vi Elsker and Aftensolen Smiler*.

### Meals

We eat 3 square meals a day and also have snacks. Every meal is started and ended with a norsk song.

### Sing-alongs

Songs are a great way to learn Norwegian. Every day we meet as a camp and sing songs.

### Language Class

Language classes are taught twice daily. Campers learn through games, worksheets, and interactive experiences.

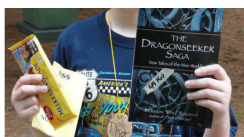

### Activity and Folk Art Classes

Campers can sign-up to take one week and 2-day classes. Examples include: nordic painting, baking class, folk dance, sewing/knitting, mythology, or viking arts, and theatre.

### Sports

Soccer, volleyball, hiking, and archery are all celebrated sports in Norway. Daily campers will get to try new sports and activities.

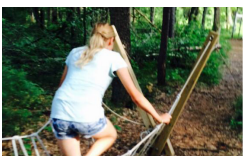

### Camp Store & Free-time

During a free period, campers are able to visit the camp store and purchase norsk treats, books, music, or other goods.

### Viking Games

Campers learn leadership and respect as they form Viking Families and learn the games of the old age. The last day of camp, campers will compete in a day long Viking Olympics.

### Evening Cultural and Historical Programs

The highlight of the day is a large evening program involving the entire camp exploring various topics and issues such as the Norwegian history, the whaling industry, immigration, Nordic Gods, popular Norwegian music, or learning about the native people of Norway—the Sami. After the program, everyone gathers around the camp fire to reflect and discuss what was learned that day or perhaps enjoy the re-telling of a Nordic myth.
